WE DO THE WORK OF BUILDING, SO YOU CAN GROW!

- We source all local materials and bring them to you
- We build and fill your beds with nutrient dense organic soil and compost for maximum growth
- We connect you to growers all over Marquette County to support in your gardening efforts.

IMPORTANT DATES

- April 30th, 2023: Deadline to order
- May 1-31st, 2023: Bed building occurs
- June 15th, 2023: Last Frost, plant your bed!

RESILIENCY GARDEN BED

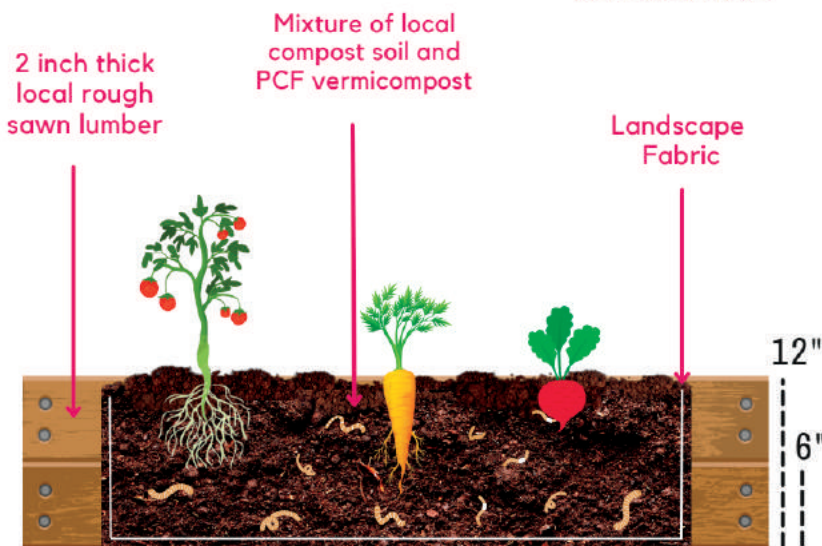

It's named "resiliency" because learning to grow your own food means you are taking your health into your own hands and building RESILIENCE!

FARM-TO-SCHOOL PROGRAM

A portion of every bed sales goes to pay for the Farm-to-School education program

We service Marquette County homes and businesses
